Vancouver, B.C. – December 17, 2020 – Playgon Games Inc. (TSX-V: DEAL / OTCQB: PLGNF/ Frankfurt: 7CR), and/or its subsidiaries (“Playgon” or the “Company”) is pleased to announce that, as part of its global rollout strategy, it has executed a Software Licensing & Distribution Agreement (“SLDA”) with SWINTT Malta Ltd., (“Swintt”) a subsidiary of Malta based Glitnor Group. The SLDA grants Swintt rights to license and market Playgon’s proprietary mobile first Live Dealer and E-Table Casino Games to its iGaming clients.

The Glitnor Group has rapidly become one of the fastest growing names in the iGaming industry through its experienced management team and extensive presence in Europe and Asia. The addition of Playgon’s suite of Live Dealer table games will complement Swintt’s games portfolio and through a single point of integration provide their gaming customers access to the Company’s innovative Live Dealer mobile product.

*“We are delighted to work with the team at Swintt says **Darcy Krogh CEO at Playgon.**” “They are an experienced management group in our industry with a significant and rapidly growing presence in several countries across Europe.
